TO: THE CITY COUNCIL
FROM: THE CITY MANAGER'S OFFICE

COUNCIL MEETING DATE
NOVEMBER 7, 1990

SUBJECT: CONSIDER RESOLUTION APPROVING THE NORTH COUNTY SANITARY LANDFILL AS THE
 REPLACEMENT SITE FOR THE HARNEY LANE SANITARY LANDFILL

PREPARED BY: City Manager

RECOMMENDED ACTION: That the City Council adopt Resolution No. 90-173, "A
 Resolution of the City Council Approving the North
 County Sanitary Landfill as the Replacement Site for
 the Harney Lane Sanitary Landfill."

BACKGROUND INFORMATION: Attached (Exhibit A) is a copy of a letter from Henry
 Hirata, the County's Public Works Director requesting
 City Council action in this matter. The letter is
 self-explanatory. Also attached (Exhibit B) is a
 copy of the appropriate resolution. Adoption of this
 resolution further lending the City's support to this
 project is in the City's best interest.

Respectfully submitted,

Thomas A. Peterson

SUBJECT: NORTH COUNTY SANITARY LANDFILL

Dear Mr. Peterson:

The County's Harney Lane Sanitary Landfill is reaching its capacity and must be closed in 1991. The 1986 County Solid Waste Management Plan, which was approved by your City Council on June 25, 1986, recommended the procurement and development of a replacement site for the Harney Lane Sanitary Landfill (HLSL). The replacement site was to be located near the existing HLSL.

Consistent with that recommendation, the County of San Joaquin, in 1987, purchased a 320 acre parcel as a replacement site for the HLSL. This site is located on Harney Lane, 1 1/2 miles east of the HLSL. Presently, the County is in the process of securing the necessary State operating permits for the landfill. This landfill is referred to as the North County Sanitary Landfill (NCSL), and is expected to be in operation by September 1, 1991.

Last month, Governor Deukmejian signed into law Assembly Bill 2296. Basically, the Bill facilitates the permitting of new disposal sites until each county in California has a State approved integrated waste management plan.

Since San Joaquin County does not have an approved integrated waste management plan at this time, the NCSL project is subject to the provisions of AS 2296. One of the provisions requires that the facility be approved by the County and a majority of the cities within the county representing a majority of the population of the incorporated areas.

Accordingly, we respectfully request that your City Council consider adopting a resolution, similar to the one attached, declaring its approval of the NCSL. If adopted by your City Council, please forward a certified copy of the resolution to us.

We are currently working with staff from the California Integrated Waste Management Board (CIWMB) to place the permitting of the NCSL on the CIWMB's November 1990 agenda. Therefore, we request that, if possible, your City Council consider this matter at its earliest convenience. Preferably, by November 15, 1990.

If you have any questions, please contact Tom Horton, Solid Waste Manager, at 468-3066.

Very truly yours,

Henry M. Hirata
